

**PICAROONS**  
BREWING COMPANY

## **NOW HIRING**

**POSITION: PRODUCTION BREWER**  
**DEPARTMENT / LOCATION: BREWERY,**  
**PICAROONS ROUNDHOUSE, FREDERICTON, NB**  
**REPORTS TO: HEAD BREWER & OPERATIONS MANAGER**

### **DESCRIPTION**

Picaroons' Production Brewer is responsible for the day-to-day efficient execution of all aspects of beer production which may also include cellaring and packaging from time to time. The Brewer must have a strong working knowledge of brewing and all associated equipment. He/she is expected to produce clean beer to recipe specifications.

Detailed records of the brewing processes must be maintained, including keeping SOP's up to date. Additionally, the brewer is also expected to ensure that health and safety guidelines are being met, which includes sanitation and cleaning of the equipment and brewing areas.

The Production Brewer is expected to collaborate and communicate effectively with coworkers as well as internal and external customers as required and promote Picaroons and the beer itself in a positive and professional manner.
